# the Waverly collection

évolur  
evolving with your baby

The Waverly Collection is yet another modern classic. With its simple, clean lines combined with a generous amount of molded, routed detailing, gently curved arms and beautifully weathered finishes, it calls to mind autumn on the east coast - a sea of red and orange leaves at your feet, a gentle, cool breeze, hayrides and apple-pickings. This collection is perfect for a rustic chic nursery. The Waverly crib is a lifetime 5-in-1 convertible crib and converts to a toddler bed, a day bed and a full-size bed (with/without a foot-board) to accommodate your growing child. Case goods include a Tall Chest (wicker baskets included) and a Double Dresser.
