Signature

Set sail on an ocean of dreams in this beautiful beach-side inspired collection. The Cape May Collection features a shutter-panel head-board and foot-board with deeply textured molding. Its lines are clean and precise with hand-carved square bun feet. In combination with its crisp white finish, this collection is reminiscent of a bright summer's day when the sun shines happily on a cool blue sea and the cries of sea-gulls taking wing on the warm ocean breeze. This Cape May lifetime crib offers 5-in-1 Convertibility and converts to a toddler bed, a day bed and a full-size bed (with/without a foot-board) to accommodate your growing child. Case goods include an 8-Drawer Dresser, a 5-Drawer Tall Chest and a 3-Drawer Nightstand. The Cape May collection is crafted out of Kiln-dried hardwood with fine veneers and is currently available in Weathered White finish.
